

SUNSHINE DAY CAMP

March Art Projects

Rainbow Streamer

St. Patrick Day: March 17

Age Range: Kindergarten- 2nd Grade

Supplies: Paper plate, streamers (colors of the rainbow), scissors, glue, paint brushes, bowls, water, tissue paper.

Set Up: Pre-cut the tissue paper into small squares. Mix the glue and water to make a paint-like consistency.

Instructions: Give each child a paper plate, have them apply the glue to the plate then place the squares of tissue paper in a rainbow pattern on the plate. Paint the glue on top of the tissue paper for a firm hold. Using the streamers, add to the bottom of the rainbow.

Shamrock Paper Craft

*** St. Patrick's Day: March 17***

Age Range: 3rd- 6th Grade

Supplies: Green paper, paper cutter or scissors, stapler or glue.

Set Up: Pre cut several strips of paper into 1.5-inch-wide strips.

Instructions: Give the children several pre cut strips of paper. Have them fold the strips in half, then curl each strip and glue the ends together to form a heart. Do this again, this time smaller so one heart fits inside the other, glue the two hearts together at the base. Repeat these steps 3 more times. To assemble to shamrock, glue the hearts together where the points meet. Place a stem in the middle of the shamrock with another strip of paper.

March Art Projects

Thing 1 & Thing 2 Pens

Age Range: All Ages

Supplies: Pens, blue feathers, red duct tape, scissors, white paper, markers, clear tape.

Set Up: N/A

Instructions: Attach the feathers to the top of the pens by using a little bit of duct tape. Cut a long piece of duct tape and begin wrapping it at an angle around the pen. If you run out, cut a new piece and continue from where you left off. Wrap the entire pen, including where you attached the blue feathers. When you are finished, cut two small circles and write “thing 1” and or “thing 2 in a small circle, attach to the pens with clear tape.
