

April Outdoor Activities

Easter Egg Match

Age Range: All ages

Supplies: Plastic easter eggs.

Set Up: On the top of each egg write a number, on the bottom of the egg write the same number. Each egg should have the same number written on it two times. Separate the eggs.

Instructions: Hide one half of each egg in a large grassy area. Separate the other half and give an equal number of eggs halves to each team. Have the teams sit in two lines and go one person from each team takes one egg half and runs to the grassy area to look for its match. Once found the child connects the egg and runs back to their team. The next person goes and play continues until one team has all their eggs completed. The team to find all the matches correctly wins!
