

May Outdoor Activities

Jedi

Age Range: All ages

Supplies: 4 Handballs, 2 hula hoops, cones.

Set Up: Place hula hoops on either side of the playing area.

Instructions: Split the kids into two teams, choose a Jedi for each team. The Jedi stands inside the hula hoop at the end of the playing field while the other players spread out on their side. The game begins and is played like dodgeball-but the Jedi is safe while inside the hula hoop and the Jedi can tag players back in. If the Jedi gets hit with a ball while outside the hula hoop, the Jedi is out of the game. The last team with players still in wins the game!
