Carrot Caper

Age Range: All Ages

Supplies: 3 Pool Noodles, chalk

Set Up: Draw a circle on the floor about 10 feet in diameter. Place the 3 pool noodles in the center of the circle, the pool noodles are the “carrots.”

Instructions: Choose two people to guard the carrots, one will be “Bugs Bunny” & the other “Peter Rabbit.” The rest of the players stand around the outside of the circle. The players on the outside of the circle are trying to steal the carrots from Bugs Bunny & Peter Rabbit. They, in turn, are trying to catch the Carrot Culprits. If anyone is tagged trying to get a carrot, they are out of the game until someone becomes a Carrot Culprit and steals a carrot. When a carrot is stolen, everyone is back in the game and two new people become Bugs Bunny & Peter Rabbit.
