

## Outdoor Activities

### Tusker Tag

Age Range: All Ages

Supplies: Several pool noodles cut in half, cones.

Set Up: Set up the cones in a large square for your playing area.

Instructions: Choose one child to be it, the child will be a "Mammoth," have the child hold two pool noodles, these noodles are their tuskers. On go, the students can run anywhere in the designated area, but trying to avoid being touched by one of the tuskers. If a child is tagged by a tusker, that child grabs one pool noodle and must stand in place anywhere in the playing area, trying to tag the other players running. The Mammoth will continue to grow each time a child is tagged. Play continues until one player remains.
