Cooking Activities

Monster Apple Bites

Age Range: All Ages

Supplies: Green Apples, vanilla frosting, strawberries, eyeball sprinkles, apple slicer, mini chocolate chips, spoon.

Set Up: Slice the apples using an apple slicer, slice the strawberries.

Instructions: Give each child a spoon and 2-4 apple slices. Using the spoon, have them carve out the middle of each of the apples to create a mouth (this will be done on the back side of each apple slice). Coat the inside of the gap with vanilla frosting. Place 4 mini chocolate chips on the top of the “mouth” for teeth. Place 1 sliced strawberry inside the mouth for the tongue. Attach the eyeballs using the vanilla frosting. Eat and enjoy!
