Pumpkin Run

Age Range: All Ages

Supplies: 2-4 Mini Pumpkins

Set Up: N/A

Instructions: Split your group into two teams. Have each team stand in a line. Give the first person on each team a mini pumpkin. On go, the children must place the pumpkin on top of their heads, run or walk across the playing area and back. Once they return, that person passes off the pumpkin to the next player, this continues until all players have gone. The team that completes the race first, wins! To make it more difficult, use items to create obstacles to walk around, over or under. If the pumpkin falls the child must stop and cannot move until the pumpkin is back in place.
