Toilet Paper Mummy Game

Age Range: All Ages

Supplies: Toilet Paper

Set Up:

Instructions: Divide the room into about 4 teams (depending on class size) with 4-5 kids on each team. Within the team, they choose one person to be the mummy. All of the others each get a roll of toilet paper. When the signal is given, they start wrapping their mummy in toilet paper, you can run the game two different ways: say the first team to use up all of their TP wins. Another option is to say that first team to cover their mummy entirely wins. Both ways are fun!
