Animal Relay

Age Range: All Ages

Supplies: N/A

Set Up: N/A

Instructions: Players line up standing 6 feet away from each other. The leader will split players into teams of three and use cones to mark start and end lines. The leader calls out an animal (cheetah, shark, elephant). When the leader says, "go," the first students in line will act like the specified animal as they move toward the end cone. They act like the animal on the way back to the start line. Once the player sits down at the end of his or her line, the next player goes. The first team to have all players sitting down wins!
