Pie Eater Tag

Age Range: All Ages

Supplies: N/A

Set Up: N/A

Instructions: Choose one person to be the pie eater. The other players form two different groups. One group is apple pie and the other group is pumpkin pie. The pie eater stands at one end of the yard and can only move from right to left. The rest of the players stand on the opposite side of the yard facing the pie eater. All the pies say to the pie eater, "Pie eater, pie eater are you hungry?" The pie eater responds with yes or no. If the answer is no the pies ask again. If the answer is yes, the pies ask, "What kind of pie would you like?" The pie eater chooses apple or pumpkin. Just those pies try to make it past the pie eater without getting tagged. Remember the pie eater can only move from right to left. Whoever is tagged is the next pie eater.
